Dear Parents/Carers,

Aspendale Primary School is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Support provided by our families over many years have allowed Aspendale Primary School to supply resources to keep our curriculum at a high standard and deliver wide-ranging and extensive specialist subjects such as Performing Arts, Mandarin, Visual Arts and Physical Education. We also offer updated digital technologies, a library program and excellent and well-maintained outdoor areas and learning environments.

For further information on the Departments' Parent Payments Policy please see a one-page overview attached.

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions schedule on the Qkr! app or see attached for an indication of contributions for your child/ren.

Please find following:
